

TEACHING WITH TECH

News from the Office of Distance Learning | December 4, 2012

ANNOUNCEMENTS

Welcome to the first publication of Teaching with Tech. Our goal is to provide relevant, up-to-date information for using technology in all classrooms – on-ground and online.

The Office of Distance Learning staff is here to help you:

Wendy MacColl
Director
wmaccoll@jbu.edu
479-524-7241

Stephen Phillips
Online Learning Support Tech
sphillips@jbu.edu
479-524-7205

Kathy Hogan
Instructional Designer
khgan@jbu.edu
479-524-7340

Michael Orf
Activity Director
morf@jbu.edu
479-524-7430

Peggy Wolken
Administrative Assistant
pwolken@jbu.edu
479-524-1544

Anna Williams
E-Learning Specialist
abwilliams@jbu.edu
479-524-7476

DID YOU KNOW...

Arranging assignment columns in the Blackboard Grade Center takes just a few clicks.

1. After entering your Blackboard course, click on Grade Center, then on Full Grade Center.
2. Click on Manage and choose Column Organization.
3. Click and drag the cross-bars beside each assignment to rearrange.
4. Click Submit to save your changes.

Still need help? Watch [this quick tutorial](#) or [contact](#) the ODL staff.

POWERFUL INFORMATION

ODL is a resource for any instructor who is seeking to use technology in the classroom. Visit the [new ODL website](#) for more information about teaching and learning with technology.

TAKE NOTE

Watch for upcoming workshops and webinars by clicking on the Faculty Workshops circle above.

TECH TUESDAYS

January
15

Part 1:
Mobile Devices for Learning

How can you harness the power of phones, tablets, and laptops in the classroom? Attend Part 1 for an introduction and Part 2 for further practice and ideas. Visit the [ODL website](#) for more information on mobile devices in learning and to [sign up](#).

January
22

Part 2:
Mobile Devices for Learning

February
12

Part 1:
Class Response Tools

Want to know how to involve your students during class with class response tools? Want an alternative to the “clickers”? Attend Part 1 for an introduction and Part 2 for further practice and ideas. Visit the [ODL website](#) for more information on class response tools and to [sign up](#).

February
19

Part 2:
Class Response Tools
